

Series title: The Kingdom of God

Session title: Kingdom Carriers

Read and consider the passage

Jesus sends us out [in twos] carrying His Kingdom of kindness in relationships peace and joy. We're sent to bless others and bring Jesus and His Kingdom close to others.

Inviting others [Hospitality] or responding to their invitation is important and a first step toward building relationships and bringing God's Kingdom invitation to others.

Then, if anyone is sick, we can pray and proclaim/pronounce healing for them [it doesn't say pray for them, but instead, heal them!]

Talk it through together

Q. In what ways do we apply the principles of this passage to our missional context?

How can we apply this in our settings this week?

Pray for opportunities to release the Kingdom we carry upon others.
