

Sessional Outreach Worker (Hong Kong Welcome) | City Life Church

Southampton, Hampshire | South East
Zero hours contract. £11.50 per hour (£22425 FTE salary)

Job Overview

Hong Kong Welcome has been a project of City Life Church since the start of 2021 when the UK government released funding to support Hong Kong British Nationals (Overseas).

City Life has a small team of 12 part-time staff, working with refugees and asylum seekers supported by an amazing team of volunteers and qualified freelance tutors, who are passionate about providing free, independent professional advice, practical support and English language courses to asylum seekers and refugees in Southampton.

We are looking for an enthusiastic Sessional Outreach Worker to add to our support for Hong Kongers.

You will help us connect with Hong Kongers coming to Hampshire, organising conversational English classes, Friendship Festivals and cultural trips.

The role is a fantastic opportunity to make a significant and meaningful contribution to the lives of those people who are fleeing the changing political climate in Hong Kong, and you will be able to demonstrate an awareness of the scheme and experience of supporting people who have experienced trauma in their home country. You will also be able to demonstrate excellent interpersonal skills, attention to detail and the ability to prioritise and manage a variable workload in order to achieve necessary outcomes.

We are committed to building a culture of safeguarding and to promote the welfare of children, young people, and adults at risk. We actively promote the positive value of diversity and are committed to equality and eliminating discrimination, wherever possible. We welcome and encourage job applications from people of all backgrounds.

Please apply using our application form with close reference to the job description.

Closing date for applications is midday on Friday 23rd February 2024. Proposed interview date is Thursday 29th February 2024, subject to applicants' availability.
