

ALDERMOOR FARMHOUSE

GUESTROOM INFORMATION PACK

Aldermoor Farmhouse offers two guestrooms available to book as spaces to retreat for a time or season. We have a minimum of a two-night stay but are open to welcoming guests for extended periods where it feels right.

The Space

Guests are free to wander in the beautiful garden and appreciate the wildness, or to visit Aldermoor Community Farm next door (on Wednesdays and Saturdays) with its quiet spaces, farm shop, café and emporium.

Within the farmhouse garden is a Shepherd's Hut, a designated space used for quiet contemplation, prayer and worship.

During your stay, you are welcome to use:

- The Shepherd's Hut
- The communal kitchen
- The conservatory
- The residents' communal lounge

Please do not use the other rooms designated for City Life Church use only.

Rhythms of Prayer & Community

We encourage you to involve yourself in the daily rhythms of prayer practised by the Prayer Community living at the farmhouse. There are also weekly rhythms of hospitality you are free to join. Every Tuesday night (7.30-9pm) there is a shared 'Presence of God' gathering in the Shepherd's Hut hosted by City Life Church, which you are also welcome to join.

Your Stay

Each guestroom is fully furnished and towels and linens are provided. There is Wi-Fi available should you need it. A welcome pack giving further information you may find useful for your stay is also in the room. The rooms share a bathroom which is regularly cleaned.

Your guestroom hire includes a simple breakfast. You are welcome to order an evening meal with members of the community for an additional cost of £15 per night.

For bookings, please contact Nicky Porter: nicky@citylife.org.uk | 07717378759

We hope you have everything you require but do let Nicky know if you have further questions or needs and she will be happy to help.

Aldermoor Farmhouse is part of City Life Church, Southampton. If you want to know more, please do explore our website: www.citylife.org.uk. If you would value prayer, Kathy or Richard would be glad to pray for you – or with you.

Before you leave, we would love you to sign our guest book. We would love it even more if you chose to stay with us again – you would be very welcome.
